

To Our Loyal Elk Members,

After careful thought and taking all aspects of the event into consideration, the Governing Body has come to the disappointing conclusion that we must cancel our Cash Bash scheduled for Saturday, September 28, 2024.

There are two other cash bashes at the same time, and this may have had some effect, but in being honest, our ticket sales were struggling. Additionally, a fair amount of tickets that were returned had marked they would not be able to attend giving us low attendance. It is regrettable and sad news for the club as the proceeds enabled us to give back into the community to the local charities we support and assisted the club financially, but this is the right decision.

We greatly appreciate all your efforts in selling tickets, it certainly does not go unnoticed or unappreciated. Our members are the backbone of our club, and we hope we can count on all of you again when we schedule the next cash bash or any other event.

We will be refunding all tickets. Envelopes with each ticket holder's name will be available for pick up starting Friday afternoon at the bar. If you sold a group of tickets to outside friends and family, you can pick up those and return if you wish. If not, we can call, explain and make sure they receive their refund.

On a separate note, through conversations with members, it was realized the club has not hosted some of the member events, activities that we have had in the past. Ken Rhodes has graciously secured bands and karaoke for our enjoyment, and we are grateful and thankful. We need to do our part as well. Look in the e-blast for upcoming events being planned for the grillroom for all our members to enjoy.

We respect that you have many choices on where to spend your time and we greatly appreciate the support and friendship you bring to our Lodge.

Fraternally,

Elks Governing Body
