Elks National Foundation

The **mission of the ENF** is to help Elks build stronger communities. We fulfill this pledge by investing in communities where Elks live and work. We help youth develop lifelong skills, send students to college, meet the needs of today's veterans, support the charitable work of the state Elks associations, and fund projects that improve the quality of life in local Elks communities.

Pennsylvania Elks Home Service Program

Since 1963, the PA Elks Home Service Program has been helping to improve the quality of life for thousands of children and adults throughout Pennsylvania. We provide support and advocacy services to individuals of any age who have a developmental disability. Last year, the Elks Home Service staff drove 332,000+ miles and made more than 14,000 home

service visits, helping families in every county in Pennsylvania. The program is primarily funded by donations from Elks lodges.

Dues Notice

Your dues for the Elks year of **April 1, 2025 to March 31, 2026** were to be paid by March 31. Please send your payment with the submission form below or pay at the bar. You can call the bar after 3pm to pay by credit card.

Don't forget your contributions to Home Service and the Elks National Foundation and include them in your payment. A full year of activity is planned with service into our community using ENF Grants as we aim to do Elks the Elks way.

Best wishes for a happy and healthy 2025 to you and your family.
