This is a membership test

Did you ever read your membership card? Did you know that every member needs to sign their card before it is valid. Did you know if you have a card for your spouse it is called an ID card? Did you know that card requires both of your signatures.

Did you know that the BPO Elks is listed as a charitable organization? Did you know that each Lodge must provide documentation annually of the good works we do? This allows us to retain our charitable nonprofit status and also our liquor license. So, when you say "I only want to support our Lodge in Washington." That includes volunteering your time and giving financially.

Washington Lodge met with Megan Hegedus, CEO of Domestic Violence Services of Southwestern PA. We delivered the items that were donated from our members for the Safe Houses in Washington, along with a check for $3000.
